Mr. Dan McCormac, Chief

Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, Tennessee 37243-0505

Dear Mr. McCormac:

Atmos Energy Corporation (Company) herewith submits for filing and approval 2nd Revised Sheet No. 57 applicable to all Tennessee service areas. The proposed tariff change is being made to clarify the current conflicting language in paragraph 4.3 of 1st Revised Sheet 57. The proposed change will allow the Company to render estimated bills under ordinary circumstances as currently stated and permitted upon approval by the Tennessee Regulatory Authority in accordance with Rule 1220-4-5-.09. Consistent with the Rule, the Company will not send a customer two successive estimated bills. The Company will show on the bill that the gas reading is estimated and will offer to read any meter for which a customer has raised a billing issue. By utilizing estimated billing, the Company will be able to utilize its resources more efficiently.

The Company proposes an effective date of May 1, 2003 to allow the Staff and Office of Attorney General adequate time for review. If you have any questions, please contact me at 615.771.8330.

Sincerely,
